

border+tec BSR

The **BORDERTEC BSR** is recommended for contouring marble and stone balconies and sidewalks. Its unique sectional design allows the use of two different floor thicknesses with the same reversible profile. BORDERTEC BSR in size BSR 20/* can be used with PROFILITEC floating floor support systems. BORDERTEC BSR contains all necessary elements for state-of-the-art installation.

(BSR 15/30*)

BORDERTEC BSR-A* Powder Coated Aluminum

The profile is coated with polyester powder along its entire surface.

(*) Available in grey (A22) and sandblasted grey (A50)

External corner piece: Code BSRE-A22/A50

Joint piece: Code BSRG-A22/A50
